Barbey Packing Corporation was started on the Columbia River in 1914 and moved to its present location in 1926. It has operated continuously since that time under family management. We at Barbey's are proud of the fact that we are the only major seafood cannery in Clatsop County that is locally owned and operated.

Barbey's fancy hand packed seafoods are always packed from fresh fish to insure the best flavor possible. The extra care and attention of experienced employees have made Barbey's Fancy Seafoods the choice of the most discriminating consumers. Try any of Barbey's products and see for yourself the difference that care makes.

## THE FOUR WAY TEST Of The Things We Think, Say or Do

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERNED?
3. WILL IT BUILD GOOD WILL AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO ALL CONCERNED?

It is with the spirit of the "Four Way Test" that the members of Astoria Rotary Club have entered into this show. We are deeply appreciative of the help we have received from everyone in the community who has given of their time, talent, and money. We hope you love the show.

## Moment of Truth.

This is the real pay-off! When the consumer opens a can of seafood, the quality is either there or it isn't — and all the claims in the world won't change it.

Bumble Bee's unmatched reputation for quality in canned seafood

has been built by setting the highest standards — and sticking with those standards day in and day out.

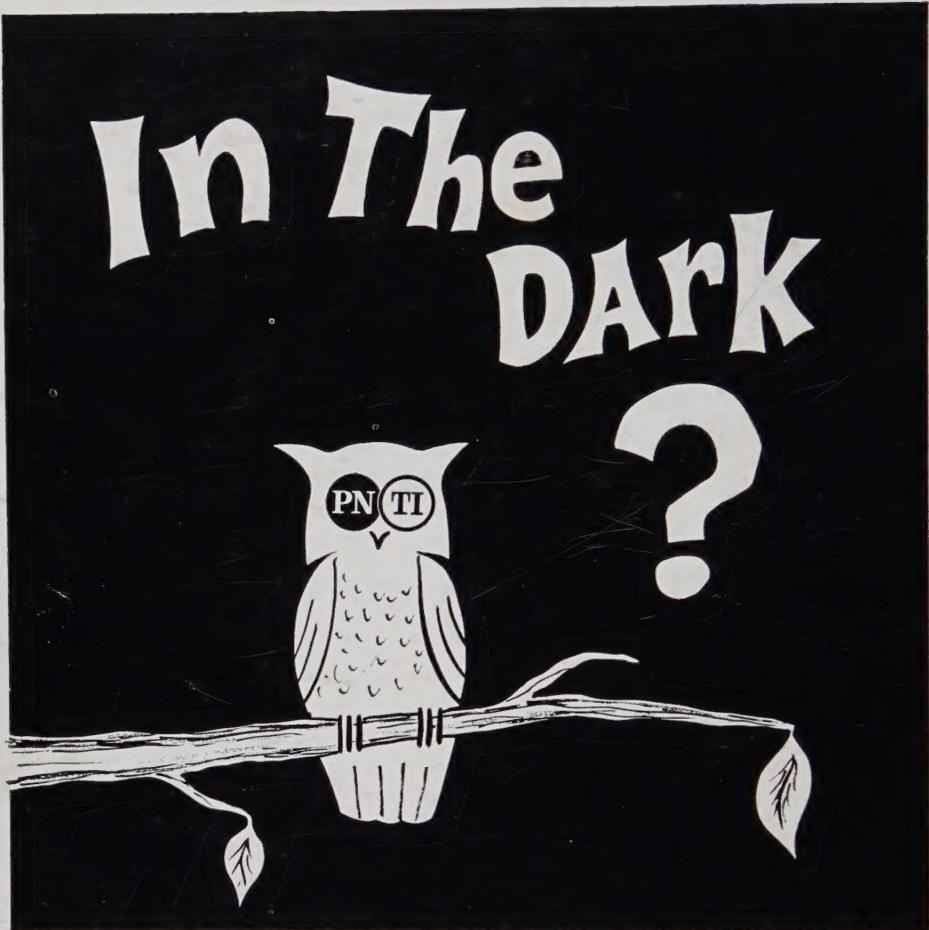

Only one thing makes this possible: **teamwork** all along the line. Quality starts with the fisherman. The extra care taken in handling

the catch, **plus** the extra care **we** take in processing it, makes all the difference in the world.

You will enjoy that difference in every can of Bumble Bee Seafoods you buy.
